| Acknowledgements..... | 1 |
| Abstract..... | 2 |
| List of Figures..... | 5 |
| List of Tables..... | 5 |
| List of abbreviations..... | 6 |
| Introduction..... | 7 |
| I. Literature review..... | 11 |
| 1.1 Dominant policy accounts of graduate employability and their critique..... | 11 |
| 1.2 Employability from a dichotomic perspective..... | 15 |
| 1.3 Understanding the concept of employability from other theoretical perspectives .. | 23 |
| 1.4 Employability strategies as a response to youth employment challenges | 25 |
| 1.5 Concept of employability through the lens of Bourdieu`s theory of practice | 28 |
| 1.6 The concept of language and language ideology..... | 34 |
| 1.6.1 Language standardization | 34 |
| 1.6.2 Legitimization of language standard..... | 35 |
| 1.6.3 The role of centering institutions | 36 |
| 1.6.4 Language planning and language policies | 38 |
| 1.6.5 Language vs. linguistic resources | 40 |
| 1.7 Linguistic prestige | 41 |
| 1.7.1 Components of prestige | 44 |
| 1.7.2 Types of prestige..... | 46 |
| 1.7.3 Prestige planning..... | 49 |
| 1.8 Bourdieu and language paradigm | 50 |
| II. Theoretical and conceptual framework | 54 |
| 2.1 Concept of sociolinguistic repertoires | 55 |
| 2.2 Approaching the Luxembourgish labour market as a Bourdieusian field | 64 |
| III. Data and methods..... | 66 |
| 3.1 Data collection process..... | 66 |
| 3.1.1 Recruitment process of study participants | 68 |
| 3.2 Analytic methods..... | 70 |
| 3.3 Thematic analysis | 71 |
| 3.3.1 Levels and phases of thematic analysis | 72 |

| | |
|---|-----|
| 3.3.2 Coding process..... | 73 |
| 3.3.3 ATLAS.ti software..... | 87 |
| IV. Results..... | 87 |
| 4.1 Themes..... | 94 |
| 4.1.1 Perception of employability..... | 95 |
| 4.1.2 Role of individual in the employment context..... | 111 |
| 4.1.3 The idea of work..... | 114 |
| 4.1.4 Linguistic resources..... | 121 |
| 4.2 Conclusions..... | 128 |
| V. Discussion..... | 130 |
| 5.1 Perception of employability..... | 131 |
| 5.2 Role of individual in the employment context..... | 134 |
| 5.3 The idea of work..... | 137 |
| 5.4 Linguistic resources..... | 139 |
| 5.4.1 Language as a transmitter of feelings..... | 141 |
| 5.5 Feeling..... | 150 |
| 5.5.1 Students: difficulties/challenges..... | 151 |
| 5.5.2 Employers: recruitment challenges..... | 152 |
| 5.6 Conclusions..... | 159 |
| 5.7 Limitations of the study and implications for further research..... | 161 |
| VI. Final conclusion..... | 163 |
| References..... | 169 |
| Appendix..... | 181 |
| Interview quotations..... | 182 |
| Snapshots of the codes and themes development process..... | 222 |
| Research Participant Consent Form..... | 228 |

List of Figures

| | |
|--|-----|
| Figure 1: Structure of linguistic repertoires | 57 |
| Figure 2: Structure of sociolinguistic repertoires..... | 60 |
| Figure 3: Snapshot of the coded interview excerpt (quotation 15:128)..... | 75 |
| Figure 4: Snapshot of the coded interview excerpt (quotation 14:113)..... | 75 |
| Figure 5: Snapshot of the coded interview excerpt (quotation 11:14)..... | 75 |
| Figure 6: Snapshot of the coded interview excerpt (quotation 3:125)..... | 76 |
| Figure 7: Snapshot of the coded interview excerpt (quotation 3:134)..... | 77 |
| Figure 8: Snapshot of the coded interview excerpt (quotation 2:99)..... | 77 |
| Figure 9: Snapshot of the coded interview excerpt (quotation 5:8)..... | 77 |
| Figure 10: Snapshot of the codes and code groups..... | 81 |
| Figure 11: Snapshot of the main sub-/themes and relevant categories..... | 86 |
| Figure 12: Snapshot of the coded interview excerpt (quotation 8:41)..... | 93 |
| Figure 13: Snapshot of the coded interview excerpt (quotation 5:12)..... | 93 |
| Figure 14: Snapshot of the coded interview excerpt (quotation 6:59)..... | 93 |
| Figure 15: Snapshot of the coded interview excerpt (quotation 14:87)..... | 94 |
| Figure 16: Snapshot of the coded interview excerpt (quotation 12:104)..... | 94 |
| Figure 17: Snapshot of the coded interview excerpt (quotation 17:90)..... | 94 |
| Figure 18: Descriptive codes and categories during the initial stages of analysis..... | 80 |
| Figure 19: Thematic map with the visualised relations between the themes..... | 156 |

List of Tables

| | |
|--|-----|
| Table 1: Phases of thematic analysis | 72 |
| Table 2: List of provisional codes..... | 78 |
| Table 3: Code “Lack of resources” | 82 |
| Table 4: Codes “Personal qualities/resources; Job attitudes” | 83 |
| Table 5: Codes “Language requirements in the labour market; Languages necessary in career” | 85 |
| Table 6: Final list of the codes..... | 90 |
| Table 7: Skills and competences required in Luxembourg..... | 96 |
| Table 8: Lack of resources required in Luxembourg (according to the employers).. | 119 |
| Table 9: Lack of resources required in Luxembourg (according to the students) | 119 |
