Supporting multilingualism at home - fourth parent event

Literacy activities at home: languages, resources and interactions

In this event in English and French, we share the current research-based knowledge on literacy activities at home and give examples of studies in a relaxed, family-friendly workshop.

Children of all ages welcome!

PROGRAMME

10:00 Literacy activities at home: languages, resources and interactions (in English, Gabrijela Aleksić)

Activités de littératie à la maison :
langues, ressources et interaction
(en français, Natalia Duruş)

10:30 Informal networking with drinks and food

11:00 **Drop-in sessions**
