and Non-resident fellow, Bruegel

2024 Lecture series on Europe, University of Luxembourg, 3
December 2024

The Werner Report, the Delors Report and the birth of the euro

- ◆ The Werner Report (1970): dominance of Keynesian economics
- ◆ The Delors Report (1989): a stability oriented economic policy paradigm
- ◆ The 21st century crises: the return of Keynesian economics
