

ORBi^{lu} User License

In order to download your document, please read and accept the following user license. By accepting this user license you agree to use the document for strictly private purposes, to enhance teaching or for scientific research and to indicate the source including the authors' names.

By downloading a document (article, communication, etc.) from [ORBi^{lu}](#), the University of Luxembourg's Digital Repository website, the User (i.e. an individual or a corporate body) agrees to respect the terms of the present license in his/her use of said document.

The University of Luxembourg, duly authorized by the authors or their legal representatives, herewith authorizes the User, in accordance with the principles of the "[Berlin Declaration on Open Access to Knowledge in the Sciences and Humanities](#)"(2003), to read, download, copy, distribute, print, search, or link to the full texts of these articles, crawl them for indexing, pass them as data to software, or use them for any other lawful purpose, without financial, legal, or technical barriers other than those inseparable from gaining access to the internet itself.

The present license does not authorize the use of the document for commercial purposes. The present license is applicable worldwide and for the legal duration of the copyright protection. It is conferred by the University of Luxembourg to the User at no cost. It is non-exclusive and non-transmissible to third parties.

The User agrees to respect the author's moral rights, in particular the right to the integrity of the work and the right to authorship in any use he/she makes of the document. For example, when reproducing either an excerpt from or the entirety of a document for purposes authorized by the present license, the User will cite the complete sources as they appear in the Digital Repository.

If the document is to be used in a way not explicitly authorized by the present license, the User shall request the express permission of the authors or their legal representatives beforehand. For example, the User cannot modify or summarize the contents of a document. Any kind of creation derived from existing works necessitates the prior consent of the authors or their legal representatives.

This present license is equivalent to the Creative Commons License CC BY-NC-ND 3.0 (<http://creativecommons.org/licenses/by-nc-nd/3.0/lu/deed.en>).

The User hereby acknowledges to have read the [legal notices](#) of the University of Luxembourg's Digital Repository website, [ORBi^{lu}](#), and to have accepted the terms thereof.

If the University of Luxembourg discovers that the User has not complied with his/her obligations as defined in the present license, it has the right to rescind said license without prior formal notice and without prejudice to any compensation to which the University of Luxembourg might be entitled for reasons of non-compliance.

The present license is subject to the Law of Luxembourg.
